MAKE IT STICK

A Simple Way You Can Make This Lesson Stick With your Kids

The 365 Project

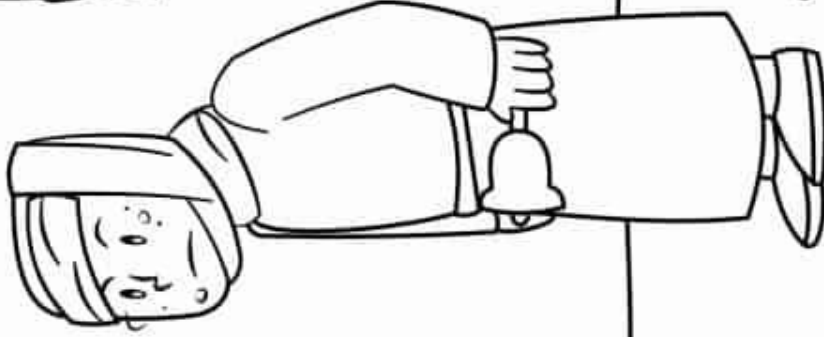

- What if you spent time every day to be thankful for one thing?
- What if you took a picture of it to remember?
- Starting today begin taking one picture a day of something you're thankful for. You can use your phone, digital camera, or Instagram to catalogue the year.

-You'll be surprised on how your life changes.-
